Table of CONTENTS

Chapter 1 Introduction
1.1 Scope and Purpose....1-1
1.2 Elements of the Plan....1-2
1.3 Benefits of Walking....1-4
1.4 The Planning Process....1-6
1.5 Goals and Objectives....1-7

Chapter 2 Existing Conditions
2.1 General Overview....2-1
2.2 User Demographics/Current Usage....2-2
2.3 Community Concerns, Needs, and Priorities....2-4
2.4 Pedestrian Friendliness of Local Transportation System....2-5
2.5 Street and Highway System Access....2-6
2.6 Pedestrian System Access....2-6
2.7 Inventory and Assessment of Exisiting Facilities....2-7
Map 2.1 Existing Conditions Map....2-13

Chapter 3 Existing Plans and Policies
3.1 Overview....3-1
3.2 Transportation Plans....3-1
3.3 Local Plans....3-3
3.4 Regional Plans....3-6
3.5 Land Use Plans....3-7
3.6 Pedestrian Statutes and Local Ordinances....3-8
3.7 Key Findings from Existing Plans and Policies....3-11

Chapter 4 Pedestrian Network Plan
4.1 Overview....4-1
4.2 Pedestrian Network Methodology....4-1
4.3 Recommended Pedestrian Facilities....4-3
4.4 Pedestrian Facility Improvement Areas....4-6
Map 4.3 Northern Study Area....4-17
Map 4.4 Downtown Study Area....4-18
Map 4.5 Central Study Area....4-19
Map 4.6 Southern Study Area....4-20

Chapter 5 Design Guidelines
5.1 Overview....5-1
5.2 Pedestrian Facility Elements....5-1
5.3 Bridges....5-27
5.4 Building Scale Cross-Sections....5-29
5.5 Local Pedestrian Facility Conceptual Renderings....5-34

Chapter 6 Program and Policy Recommendations
6.1 Overview....6-1
6.2 Policy Recommendations....6-2
6.3 Other Policies....6-11
6.4 Program Recommendations....6-17
6.5 Program and Policy Reccomendation Summary....6-21
Chapter 7 Implementation
7.1 Overview....7-1
7.2 Opportunities and Strategies....7-1
7.3 Plan Adoption....7-2
7.4 Implementation Policies and Key Steps....7-3
7.5 Pedestrian Network Prioritization and Phasing....7-4
7.6 Staffing....7-7
7.7 Methods for Developing Facilities....7-9
Appendix A Summary of Public Input
A.1 Overview....A-1
A.2 Map Comment Summary....A-2
A.3 Public Comment Form Summary....A-2
Appendix B Network Prioritization
B.1 Methodology....B-1
B.2 Facility Phasing....B-2
B.3 Top Twenty Priority Projects....B-3
B.4 Pedestrian Network Prioritization Index....B-4
Appendix C Funding Sources
C.1 Overview....C-1
C.2 Federal Government Funding Sources....C-2
C.3 State Funding Sources....C-8
C.4 Local Funding Sources....C-18
C.5 Other Local Options....C-24
C.6 Private Foundations and Organizations....C-25
Appendix D Cost Estimates
D.1 Sidewalk Cost Considerations....D-1
D.2 Cost Estimates....D-3
