TO: PROSPECTIVE BIDDERS HOLDING PLANS AND SPECIFICATIONS FOR  
TOWN OF WAKE FOREST BID NUMBER 099-075 (RE-BID)

RE: TOWN OF WAKE FOREST WAYFINDING SIGNAGE FOR PARKS & GREENWAYS, PH. 1  
ADDENDUM NO. 1 (RE-BID)

The following changes and clarifications are applicable to the referenced project and are now a part of its contract documents. Where any article, division, or subparagraph of the original contract documents or other addenda is supplemented herein, the provisions of the original documents shall remain in effect. All the supplemental provisions shall be considered as added thereto. Where any such article, division, or subparagraphs are amended, voided, or superseded thereby, the provisions of such article, division, or subparagraph not so specifically amended, voided, or superseded shall remain in effect.

The attention of each contractor is called to the following clarifications, additions to, and changes in the plans sealed July 20, 2016, and specifications sealed August 24, 2016, on the above project. It will be the responsibility of each contractor to call such clarifications, additions, and changes in plans and specifications to the attention of subcontractors concerned. The Town in no way assumes any responsibility for notifying any subcontractor, material dealers, or others not having received the original contract documents.

In addition, you will find the sign in sheet for the pre-bid conference call held on September 1, 2016 as part of this addendum. Please note that any prospective bidders who previously attended the pre-bid conference meeting held on July 19, 2016 at 3:00 PM are also still eligible to bid and were not required to attend the pre-bid conference call.

Bidder must acknowledge receipt of Addendum No. 1 by signing appropriately on Proposal Form included in the Bid Documents.

## QUESTIONS & ANSWERS:

1. **Question:** The previous bid form (issued as part of addendum 1 of the original bid advertisement) included cut and patch of asphalt and trenching. Are these two pay items still included?

**Response:** *Yes, cut and patch of asphalt (83 linear feet) and trenching (2030 linear feet) are both still included and the bid form has been updated.*

2. **Question:** The project includes electrical work for part of the park entrance signs (E1), but there is not an electrical pay item included in the bid form. Should this be included?

**Response:** *Four of the park entrance signs (E1) are to be illuminated and will require electrical work, but this is incidental to the sign.*
