TOWN *of* WAKE FOREST

Equal Payment Plan Agreement

From the dog days of summer to the dead of winter, your utility bill stays the same.

The Town of Wake Forest's Equal Payment Plan takes the guesswork out of your utility bill. Every month your costs are the same, so you avoid any spike in your bill, keeping your budget intact.

How the program works

- The Town calculates your average annual utility usage.
- Annual usage is divided into 11 equal monthly payments.
- The September bill is used to settle your account.

If you paid for more electricity than you used over the first 11 months, we will credit your account. Then, you may request a check for the extra amount or keep the credit and pay less next year. Likewise, if you used more than you paid for, then we will bill you for that amount. Your payments may be adusted annually depending on electricity usage and current electric rates.

Eligibility

- You must have an active account at least six months old.
- You must not have had more than one late payment over the last six months.

Use the attached form to sign up today!

In September of each year, I will pay the arrears as shown on my account. If I am late two (2) times, I will be atuomatically removed from the program. I understand that I may withdraw from the program at any time by requesting to do so in writing and paying the total on the account.
