FOR IMMEDIATE RELEASE

TRAFFIC ALERT – WEST JUNIPER AVENUE

WAKE FOREST, NC – May 16, 2011 – The Town of Wake Forest will close West Juniper Avenue from North Main Street to North College Street, on Tuesday, May 17, from 10 a.m. to noon, so the tree trimming crew can perform pruning work around the overhead power lines.

Trees are the number one cause of power outages and regularly scheduled trimming is needed to reduce service interruptions. Trimming is also necessary to provide sufficient working space so line workers can maintain a safe distance from the power lines when repairing them.

Detour signs and flaggers will be on site directing traffic around the work area. Motorists should follow the signed detour or choose an alternate route.
