FOR IMMEDIATE RELEASE

SIDEWALK REMOVAL SET TO BEGIN ALONG SOUTH WHITE STREET

WAKE FOREST, NC – April 10, 2012 – The contractor will start removing sections of sidewalk today along a portion of South White Street as part of the South White Streetscape Project. Crews from J.W. Grand will begin removing the sidewalk and several light poles on the east side of South White Street from Elm Avenue to Owen Avenue.

On-street parking along this portion of South White Street will be prohibited. Pedestrian access to the sidewalk will be limited, but business access will be maintained at all times.

For more information, contact Assistant Town Engineer Holly Miller at (919) 435-9443 or hmiller@wakeforestnc.gov.

The Town of Wake Forest provides this information as a public service. Area residents are reminded that weather and road conditions can change rapidly and should plan accordingly. When traveling through a construction area, drivers, bicyclists and pedestrians are asked to be patient, proceed with caution and obey flaggers at all times. Planned road closures and restrictions are necessary to allow for a variety of work. Dates, times and work locations are subject to change due to inclement weather or last-minute changes in work schedules.
