1 INTRODUCTION

This document has been developed by Wake Forest Parks & Recreation in order to familiarize volunteer coaches and part-time employees with policies, procedures, and league rules for youth basketball leagues.

1.1 Mission Statement

The Wake Forest Parks and Recreation Department seeks to enhance the lives of the citizens of Wake Forest by offering a comprehensive system of parks, greenways, facilities, and open spaces coupled with cultural and athletic programs that promote education, health and wellness.

1.2 Purpose

The purpose of the Wake Forest Parks and Recreation Department basketball league is to provide the youth of the Wake Forest area the opportunity to have fun, learn sportsmanship, rules of the game, and develop the skills needed to be a successful player.

1.3 Youth Athletics Philosophy

The Wake Forest Parks and Recreation Department staff believes that youth athletic programs serve an important part in the development of physical, emotional, and mental abilities of children. The main emphasis for all WFPRD youth athletic programs is participation, increasing individual skill levels and aiding in character development. This philosophy can be achieved by teaching our youth the following concepts:

- **Fundamentals of the game-** Regardless the sport, the primary concern of coaches should be to teach the basics. Each child should receive individual instruction and encouragement to increase his/her personal skill level.
- **Sportsmanship-** All children should be taught the qualities of sportsmanship and fair play. The emphasis should be on each child doing their best and having fun, not on winning or losing.
- **Team concept-** In all team sports, each member should feel that he/she is valuable to the team and can contribute to the team effort. Learning to work with others as a team is essential for successful teams and team members.
- **Respect for Officials-** Coaches should teach children to respect the game officials. Participants should not be led to believe that the actions of an official determined the outcome of an athletic event. The example that is set by coaches (and parents) speaks much louder than the words that are spoken about sportsmanship and respect for others.

2 LEAGUE MANAGEMENT

All leagues will be under the direction of the Wake Forest Parks & Recreation Department, specifically the WFPRD Athletics Division. The WFPRD Athletics Division will be responsible for the recruitment of volunteer coaches, scheduling of practices and games, uniform/equipment orders, contracting with booking agents, official scorers, and supervision of all aspects of the Basketball program.

2.1 Communication Methods

WFPRD will communicate information to participants, coaches, and staff via telephone and e-mail. Hard-copy mailings via USPS will be used as necessary. Cancellation of practices and games due to inclement weather/field conditions will be communicated via telephone and e-mail. In addition to the notification, the Weather Line (919 435 9569) will be updated when cancelations become necessary.

2.2 League Schedules (Practice and Game)

League Schedules will be prepared by Athletics Staff. Practice schedules will be distributed to coaches at the league draft/coach meeting, with each team having a minimum of four (4) practices scheduled prior to the beginning of league play. Game schedules will be distributed at least two (2) weeks prior to the beginning of league play. Teams will be scheduled for a ten (10)-game regular season, followed by single-elimination tournaments for ages 9 and above.

Coaches will be allowed to trade assigned practice times with other teams in the league at their discretion. Once distributed, the only alterations that will be made to game schedules will be due to inclement weather conditions that require cancelation of scheduled games.

2.3 Website Information

League Schedules and standings will be posted on the Town of Wake Forest website, www.wakeforestnc.gov. Schedules (practice and game) will be posted to the website and updated as necessary. League standings will be updated on a weekly basis.

3 LEAGUE POLICIES

3.1 League Age

Participant's "League Age" is determined by their age on December 31 of the current season. Participants will not be allowed to play outside of their assigned league/age group.

3.2 Code of Conduct/Disciplinary Action

The Wake Forest Parks & Recreation Department expects good sportsmanship from its coaches, participants, and spectators as outlined below.

- No individual shall refuse to abide by any League Official's decision.
- No individual shall be guilty of objectionable demonstrations of dissent toward any League Official, participant, or spectator.
- No individual shall be guilty of verbal abuse or physical attack upon any League Official, participant or spectator.

Persons in violation of the Code of Conduct may be subject to penalties up to and including removal from the league, depending upon the severity of their actions. Penalties for ejection are outlined below.

- In the event of an ejection of a player, the player shall be removed from the game for the remainder of the game. Ejected player must serve a two (2) - game suspension, and cannot attend team events (practices or games) while serving the suspension.
- In the event of an ejection of a coach, the coach shall be removed from the game and must leave the facility within two (2) minutes or a forfeit will be declared. If there is not an Assistant Coach present to take over coaching duties, a parent will allowed to take over duties for the game currently being played. Ejected coach must serve a two (2) - game suspension, and cannot attend team events (practices or games) while serving the suspension.
- Should a player or coach be ejected a second time during a season, the player or coach must serve a second two-game suspension. In the event of a third ejection, the player or coach will be removed from the league for the remainder of the season.
- The Wake Forest Parks & Recreation Department reserves the right to impose season-disqualification penalties at any time, should participant's behavior and action deem such disqualification necessary.

3.3 Player Placement

- Players in age groups 5-8 will be placed onto teams by WFPRD staff.
- All players new to a league, and any wishing to change teams from the past season, must participate in the draft.
- Players returning to the same age group (except those requesting redraft) and the child of the TEAM MANAGER and ASSISTANT COACH (if named prior to draft date) are exempt from the draft.

- Player(s) absent may not be chosen during the selection process. Absent player(s) name(s) will be drawn at the conclusion of the draft.
- Players age 13 and above will be drafted onto teams each season.

Selection order is set by WFPRD, based on the number of players returning to team rosters. Basketball teams will begin the draft with a minimum of three (3) players (leagues ages 9-12).

In the event that new (“expansion”) team(s) are added, the expansion team(s) will be allowed to select players to reach the league minimum prior to the first full round of the draft, with selections alternating between “expansion team(s)” and returning teams that are drafting to the league minimum.

Following the minimum-roster selections, each team will select one player.

DRAFT ORDER: following the minimum-roster draft, draft order will be based on the league’s final standings from the previous season (leagues 9-12). *Leagues 13+ draft order is set by draw.*

(Leagues 9-12) Teams will be “evened up” after the first full round of selections- all teams must have equal number of players before another “full round” is allowed. Example: team 1 starts with 6 players, all others start with less than 6. Team 1 would be allowed a selection in the round that follows the minimum-roster draft, but would then sit out of the draft until all teams have 7 players. Draft “round” will go from first to last pick, and begin again with the team having the first selection starting another round (see exception above). Selection will continue until the point where the number of eligible (“present”) players is equal to or less than the number of teams selecting players. Once this point is reached, all eligible players not previously selected will be placed in the draw with those absent from the draft.

Siblings are placed on the same team and count as the team’s current draft selection and the team’s next selection.

Trading of selections is not allowed.

3.4 Selection of Head Coach (“Manager”) and Assistant Coach

WFPRD Athletics Staff will recruit volunteers to serve as Head Coach (“Manager”) during the registration period for the leagues. Once the Head Coach has been selected, it will be the option of the Head Coach to name one (1) person to serve as Assistant Coach. The Assistant Coach must be named at least one (1) day prior to the league draft. Children of Head Coach and Assistant Coach will be exempt from league drafts.

3.5 Background Screening

In order to preserve the safety and well-being of participants in its Youth Athletic programs, the Wake Forest Parks and Recreation Department has selected Southeastern Security Consultants, Inc. (SSCI) to conduct background screens on all volunteers for youth athletic programs.

Volunteers will be required to complete and sign an authorization which will provide date of birth, Social Security Number, and current address allowing the Wake Forest Parks and Recreation Department to order an individual criminal background check. All authorization forms and results of screening must be received prior to the start of volunteer duties.

This policy will include all volunteers (on an annual basis) who wish to be named coach ("head coach" and/or "assistant coach") that may, in the course of their volunteer service, have the opportunity to be alone with children during activities scheduled for Wake Forest Parks and Recreation youth athletic programs. Others with incidental contact with children will not be subject to provisions of this policy at this time, although the Wake Forest Parks and Recreation Department reserves the right to conduct random checks of volunteers periodically.

SSCI will conduct the background checks on volunteers. All information received as a result of the screening will be kept confidential and not disclosed to anyone outside the Wake Forest Parks and Recreation Department. All authorization forms, records or reports shall be maintained in a confidential manner, and kept for a fixed period of time as set by the Town's record retention policy.

If any disqualifying information is found that prevents an applicant from being accepted, the Athletic Coordinator will be responsible for notifying applicant of disqualification in a confidential manner. In the event the applicant feels a mistake has been reported in their criminal background check, it is the applicant's responsibility to contact the reporting agency (SSCI) and resolve any issues. Wake Forest Parks and Recreation and its employees are not responsible for errors or omissions that may be reported on background checks.

It is the goal of WFPRD to place ten (10) players on each team, but the number of registered participants will determine the number of players per team.

Players may be added to team rosters after team placement has occurred only in situations where participants have requested to be withdrawn from the league. Replacement players will be secured via the WFPRD waiting list.

3.8 Inclement Weather

Cancellation Procedure

- Wake County Public School System (WCPSS) closures (or early release due to weather conditions) will result in cancellation of all WFPRD practices and games, at all sites.
- On weekends, or in cases where there is no official closure by WCPSS, WFPRD staff will examine weather conditions to determine whether to open gyms for practice or game play.
- Team Managers (youth and adult leagues) and participants (youth leagues) will be called by WFPRD staff if it is determined that cancellation of events is necessary. Participants will be notified via telephone messaging system no later than 4:30pm on weekdays. **Weekend event cancellation information will be relayed only via Weather Line recording).**
- Weather Line (**919 435 9569**) recording will be changed after a decision to cancel games/practices has been made, and will play a message stating the day and date, and specific cancellation information (any message other than as stated above will mean that events have not been cancelled by WFPRD).
- Should inclement weather occur **AFTER 4:30pm**, and/or managers/participants have not been notified of a cancellation by WFPRD staff, teams should report to the game site prepared to play/practice. *Any decision regarding game cancellations after 4:30 p.m. will be made on site by WFPRD staff. For team practices and games at locations without*

WFPRD staff present, coaches are to use their best judgment regarding weather/road conditions, with player safety being the first priority.

Teams shall not alter/enhance the jerseys in any manner. *If a shirt is worn beneath the jersey, the portion of the shirt that is visible outside of the jersey must be of matching color (i.e. white undershirt with white jersey, dark undershirt with dark jersey).*

Participants must provide matching shorts (shorts to match the “dark” side of the reversible jersey).

3.10 Equipment

WFPRD will provide coaches with one (1) basketball that is the appropriate size for the age group, to be used in practices. Game balls will be provided by WFPRD on-site.

3.11 Awards

WFPRD will provide Participation Medals for all players at the conclusion of the season. In leagues where championships are recognized, WFPRD will provide individual trophies to each member of the season and tournament championship teams.

3.12 Safety

WFPRD seeks to provide safe facilities, and will prepare game sites for practice and play in accordance with acceptable industry standards. Coaches are to keep the safety of participants in mind during practices and games.

Coaches shall not leave a practice or game site without first ensuring that all participants have been picked up by a family member (or other designee, to be communicated to the coach prior to pick-up time). In the event that a participant has not been picked up within fifteen (15) minutes of scheduled end time, Coach shall call the Wake Forest Police Department (919 435 9610).

3.13 Blood-Borne Pathogens (PPG)

The safety and health of participants is a priority. Although the possibility of a communicable disease being transferred from one participant to another is unlikely, universal precautions (wearing medical gloves, proper clean-up and disposal of first-aid items) should be taken in all instances where there is a possibility of the transfer of bodily fluids.

4 UNIVERSAL PLAYING RULES

4.1 Governing Body

All youth basketball leagues will follow the official rules of the North Carolina High School Athletic Association (NCHSAA). Local exceptions and additions to the NCHSAA rules follow.

A team possessing a lead of fifteen (15) points or more must play half-court defense until the lead has been reduced to less than fifteen (15). While holding a 15-point lead, the defense must set up inside the 3-point arc. **PENALTY:** first offense will result in warning,
