**FOR IMMEDIATE RELEASE**

### **DIRT ROAD PAVING PROJECT BEGINS TODAY**

**WAKE FOREST, NC – June 20, 2011** – A project to pave seven dirt streets in Wake Forest begins today on Mangum Lane.

Over the next four months Triangle Grading and Paving will install storm drains and pave Mangum Lane, Carter Street (July 6), Farm Road (Aug. 1), Farm Ridge Road (Aug. 18), Spring Valley Road (Aug. 24), Highland Avenue (Sept. 8), and West Walnut Avenue (Sept. 26).

These roads will be restricted to locals only while the work is being performed and flaggers will be onsite directing traffic. Motorists in the area should use caution and obey flag signals from construction personnel.
