FOR IMMEDIATE RELEASE

SOUTH WHITE STREET WATER LINE TESTING NOV. 11 & 12

WAKE FOREST, NC – November 10, 2008 – The Town of Wake Forest will conduct tests on the water line along South White Street on Tuesday, Nov. 11 and Wednesday, Nov. 12 each evening from 11 pm until approximately 8 am.

During these times, water will be shut off along the following areas:

- South White Street from Jones Street to north of the CVS
- Roosevelt Avenue from Front Street to approximately Taylor Street

We apologize for any inconvenience but have scheduled these tests during these times to impact the fewest number of residents possible.

Marked detours will be posted in the affected areas and motorists are encouraged to use caution.

The Town of Wake Forest appreciates the continued patience of citizens while construction on the first phase of the White Street Plan continues. For more information about the scheduled water line testing, contact Assistant Town Engineer Holly Spring at (919) 795-2034 or Jason Pace at (919) 600-4511.
