FOR IMMEDIATE RELEASE

HERITAGE SOUTH GREENWAY TRAIL GRAND OPENING APRIL 24

WAKE FOREST, NC – April 18, 2008 – The [Town of Wake Forest](#) is inviting area residents to help celebrate the completion of the Heritage South Section of the Sanford Creek Greenway Trail by attending a special ribbon cutting ceremony on Thursday, April 24. The event gets underway at 6:30 p.m. along Forgotten Pond Avenue in the Heritage South Subdivision.

The 10-foot wide asphalt multi-use trails and boardwalks are designed for biking, hiking or simply enjoying nature. The one-mile section begins at the current end of Marshall Farms Street and continues one-mile east along Sanford Creek.

The Sanford Creek Greenway will ultimately connect Wake Forest from Smith Creek to Rolesville along the Sanford Creek. This segment of public greenway was funded by the Town of Wake Forest through a credit for Recreation Facility Fees for construction by Ammons Development Group, the developer of Heritage South Subdivision.

Ammons Development Group also provided additional trail connections and features to link the homes in Heritage South to the Sanford Creek Greenway. The trail currently dead-ends at the edge of Heritage South Subdivision but will eventually continue along the creek.

Wake Forest's "Open Space and Greenways Plan" proposes for the Sanford Creek Greenway to connect to the Smith Creek Greenway south of the High School and continue east to Rolesville.
