FOR IMMEDIATE RELEASE

PUBLIC INPUT SOUGHT ON WAKE FOREST TRANSIT SERVICE

WAKE FOREST, NC – May 6, 2008 – The Town of Wake Forest, Triangle Transit, and the City of Raleigh have proposed two new weekday bus routes serving Wake Forest in Summer 2008.

Two services are being studied. The first is an express route between Wake Forest, Triangle Town Center, and downtown Raleigh at peak commute times. During the mid-day, the route will only serve Wake Forest and Triangle Town Center. Passengers who wish to continue to downtown Raleigh during the mid-day can transfer to CAT Route 1 at Triangle Town Center. Fares for the express service would be \$2.50 per one-way trip during peak periods (5-9 a.m., 4-8 p.m.) and \$2.00 per one-way trip during the mid-day (9 a.m.-4 p.m.).

The second service is a local bus route within Wake Forest itself. The route is proposed as a loop through much of Wake Forest and into a portion of Wakefield. The initial proposal is to serve the route in a clockwise fashion all day. The proposed fare is \$1.00 each way. A timed transfer between the two routes will be provided throughout the day at the proposed Park and Ride location in downtown Wake Forest.

Citizens wishing to provide input on the proposed routes are encouraged to attend a public meeting at the Wake Forest Town Hall on Tuesday, May 13 from 6-8 p.m. A comment line is available at (919) 485-7507 to leave a message for the planning staff at Triangle Transit.

For more information, visit www.triangletransit.org/bus/planning/wakeforest. Visitors to the site can leave comments on-line to assist Triangle Transit and their partners in finalizing schedules, routing, and bus stop locations for the two routes. The web site will be updated with new feedback opportunities and changes to the proposed routes that result from citizen input.
