FOR IMMEDIATE RELEASE

**SOUTH WHITE STREET
WATER SERVICE INTERRUPTION FEB. 11 & 12**

WAKE FOREST, NC – February 10, 2009 – As part of the ongoing construction related to the White Street Plan, the Town of Wake Forest will complete the water main tie-in to several businesses along South White Street on Wednesday, Feb. 11 and Thursday, Feb. 12. The work will be conducted each evening from 10 pm until approximately 8 am.

During these times, it may be necessary to temporarily interrupt water service along South White Street in the vicinity of Wait Avenue and Roosevelt Avenue. We apologize for any inconvenience but have scheduled this work at these times to impact the fewest number of residents possible.

Marked detours will be posted in the affected area and motorists are encouraged to use caution.

The Town of Wake Forest appreciates the continued patience of citizens while construction on the first phase of the White Street Plan continues.

For more information about the scheduled water line connections, contact Assistant Town Engineer Holly Spring at (919) 795-2034 or Jason Pace at (919) 600-4511.

To report future water service issues or concerns, contact the City of Raleigh at (919) 890-3245.
