## **WAKE FOREST UNVEILS TOWN HALL VIDEO TOUR**

**WAKE FOREST, NC – September 14, 2010** – The Town of Wake Forest recently unveiled a video tour of its new town hall offering residents an intimate look at downtown's newest landmark.

Narrated by Deputy Town Manager Roe O'Donnell, the virtual tour highlights the building's prominent exterior features, such as Centennial Plaza and the oak tree save area, along with many of the facility's interior focal points, including the town seal and history timeline incorporated in the polished lobby floor, the magnificent rotunda, and state-of-the-art board chambers.

The video also emphasizes the green concepts, materials, and techniques incorporated as sustainable practices into the building's design, such as the use of high efficiency lighting fixtures, energy efficient windows, and ultra low-flow fixtures.

The 12-minute video tour currently airs on Community Channel 10 at various times throughout the day, including 11:30 a.m., 1:30 p.m., 6:30 p.m., and 9:30 p.m. It can also be viewed on demand on the Town's website at [www.wakeforestnc.gov/newtownhall.aspx](http://www.wakeforestnc.gov/newtownhall.aspx).
