FOR IMMEDIATE RELEASE

HOLDING PARK CLOSED FEB. 8-9

WAKE FOREST, NC – February 7, 2011 – Holding Park, 133 W. Owen Ave., will be closed Tuesday and Wednesday, Feb. 8-9, while crews install a natural gas line from South Main Street to the Wake Forest Community House.

The installation of the natural gas line is an important part of the work being done at the Community House through the use of Recovery Act funds.

In January the Town began making several energy efficiency improvements to the facility, including installing an energy efficient heating and cooling system, subfloor insulation, and energy efficient windows and doors. The enhancements will be completed later this month and are expected to result in reduced energy usage, lower energy bills, and decreased maintenance costs.

For more information, contact Facilities Manager Mickey Rochelle at (919) 435-9455.
