DEVELOPMENT & BUILDING PERMIT APPLICATION PACKET

(Last updated: October 2013)

PROCESS INFORMATION:

Applicability: A Development Permit indicates compliance with the provisions of the Wake Forest Unified Development Ordinance (UDO) and is required for the construction or development of any new use within the Town of Wake Forest jurisdiction and any other site improvements as indicated in the UDO. In addition to new uses, a Development Permit shall be required for expansions of existing uses, changes of uses, any use permitted with special conditions (Chapter 3 of UDO) and any signage requiring a permit (Chapter 11 of UDO). A building permit is usually required in addition to a Development Permit.

Submission Requirement: Applicants are encouraged to call or visit the Planning Department and/or Inspections Department prior to applying for a permit. In addition to the completed information below, 2 copies of a sketch plan (see checklist below) is required with all submittals along with building permit plans & information (if applicable) as listed on the Town's website at <http://www.wakeforestnc.gov/residents-inspections.aspx>.

FILING INSTRUCTIONS:

- All applicants must complete this application in full. This application will not be processed unless all information requested is provided.
- All general permit information & applicant information provided in the Development Permit Application shall also apply to the Building Permit Application.
- Additional building permit information may be required depending on the nature of the proposed construction/improvement.
- Development Permit fee is \$50.00. **Town of Wake Forest fees and charges are subject to change without notice. Please call 919-435-9510 to confirm current fees and charges.*
- Please call 919-435-9531 for confirmation of Building Permit fees. **Town of Wake Forest fees and charges are subject to change without notice. Please call 919-435-9531 to confirm current fees and charges.*
- 2 copies of a Sketch Plan in accordance with Chapter 15 of the Wake Forest UDO (see checklist below).
- The application must be signed by the owner or by an authorized agent of the subject property.
- For final inspection (Development Permit only) – call (919) 435-9510.
- For final inspection involving a building permit (in addition to Development Permit) – call (919) 435-9531.

SKETCH PLAN CHECKLIST:

A Sketch Plan shall be provided to accurately reflect the nature of the application. The Sketch Plan shall show in simple sketch form the shape & dimensions of the lot on which the proposed building or use is to be constructed or conducted as well as all information listed below:

- North Arrow & Scale not less than 1" = 50' (site plans) or 1" = 200' (subdivisions)
- Layout of existing & proposed streets;
- Existing or proposed lot(s) layout;
- Building(s) location & size;
- Nature of land use;
- Parking areas & means of ingress/egress;
- Environmental Conditions (Special Flood Hazard Areas, wetlands, etc.);
- Public or private easements & buffer areas;
- Civic Spaces & other features in relation to existing conditions based upon the size of the tract proposed for development.

SUPPLEMENTAL STANDARDS:

HOME OCCUPATIONS:

- The home occupation shall be clearly incidental and secondary to residential occupancy.
- The use shall be carried on entirely within an enclosed structure on the premises.
- The home occupation shall be operated by a resident of the dwelling.
- A maximum of 25% of the gross floor area of the dwelling unit may be used for the home occupation.
- A maximum of 2 full-time equivalent non-residents of the dwelling may be employed on the premises.
- The use shall not change the residential character of the dwelling.
- Storage of goods and materials associated with the home occupation must be completely within an enclosed structure.
- Parking must be provided so as not to create hazards or street congestion.
- All parking associated with the home shall be accommodated off-street or in spaces directly in front of the residence.
- No display of goods, products, services or other advertising (except permitted signage as set forth in Chapter 11, Signs) shall be visible from outside of the dwelling.
- No generation of dust, odors, noise, vibration or electrical interference or fluctuation shall be perceptible beyond the property line.
- Child/Adult Day Care Homes as a home occupation or accessory use must be within the principal residential dwelling unit, supervised by a resident of the dwelling and for no more than 8 children (no more than 5 of which may be of pre-school age). Please contact the NC Division of Child Development at 1-800-859-0829 or 919-622-4499 for further permitting requirements.

FENCES:

- Utility meters must be accessible to Town of Wake Forest personnel. Failure to do so may result in errors on utility billing.
- Fences may be subject to Homeowners Association approval.
- Fences proposed to be located within an easement must obtain approval from the agency with the easement rights prior to permit issuance.
- Fences and garden/yard walls may encroach into required setback yards but, if higher than 3.5 feet, may not be placed within the site visibility triangle of a public street, private street or driveway contained either on the property or on an adjoining property. See Section 6.5.2.G of the Wake Forest UDO concerning the sight visibility triangle.
- If fence is proposed as part of a buffer, see Section 8.5.4 of the Wake Forest UDO for additional requirements

SIGNAGE:

- All signs for which a permit is required shall be subject to inspection by the Town of Wake Forest. The applicant is required to call the Town to schedule an inspection upon permanent erection of the sign.
- A representative of the Town shall be authorized to enter at all reasonable times upon any property or premises to ascertain whether the provisions of the code are being obeyed. The Town may order the removal of any sign that is not in accordance with the provisions of the code.
- Twenty-four (24) hours notice is required for all inspections.
- Signs shall be kept in proper repair. The owners of any sign judged substandard by the Town of Wake Forest Administrator shall be notified in writing and the said owner shall have thirty (30) days in which to make repairs. Failure to comply with within thirty (30) days will result in further legal action.
- All materials used in signs must meet all applicable requirements set forth in the NC Building Code governing signs.
- All wiring shall be contained in conduit or enclosed in poles or raceways. In no case shall the wiring be exposed to the public.
- All signs shall comply with Chapter 11 (Signs) of the Town of Wake Forest Unified Development Ordinance.
- The applicant shall be issued a sign permit decal upon application approval which shall be affixed in a location on the sign which is clearly visible or on the front window of the business at time of inspection.

ACCESSORY STRUCTURES (DWELLING):

- Only one accessory dwelling is permitted per lot.
- A detached accessory dwelling shall be sited to the side or rear of the principal building.
- The accessory dwelling shall meet the accessory structure setbacks in Sections 2.2.3.E or 2.2.5.D of the Wake Forest UDO as appropriate.
- The accessory dwelling shall meet all applicable design standards for the zoning district in which it is located in accordance with Chapter 5 of the Wake Forest UDO.
- The accessory dwelling shall be clearly subordinate (size, etc.) to the main structure.
- The exterior of the accessory dwelling shall be compatible with the principal residence in terms of color, siding, and roofing appearance.
- Manufactured housing, campers, travel trailers and recreational vehicles are not permitted for use as an accessory dwelling.
- If located within the principal dwelling, the apartment may have a private outside entrance, but such an entrance shall be located on or facing the side or rear of the principal dwelling.
- Accessory dwelling structures must contain complete kitchen facilities including a stove or cook top and a full bath including lavatory, water closet, and tub or shower (or combination).
- One off-street parking space shall be provided in addition to those required for the principal dwelling.
