## Quotes from Past Sponsors:

*"Friday Night on White has been a great way for us to gain exposure to an entirely new group of people that do not consistently come to downtown Wake Forest. At our booth, people have responded time after time that they did not even know we were there. Friday Night on White has also brought a community feel to the entire area. Back Alley wants to be part of building community and Friday Night on White has been a huge part of seeing that potential grow!"*

- Tracy McKenzie, Back Alley Coffee Roasters

*"The excitement of seeing the Wake Forest community come together with Wake Forest businesses definitely made our sponsorship for the Friday Night on White a success. We were proud to be a part of this series."*

- Catherine Marquis, AuD, Wake Audiology

*"As Wake Forest's hometown eye doctors, we are always looking for opportunities to support our community. Friday Night on White is such a fun, family-friendly event. It showcases what makes Wake Forest such a special place to live and work. We enjoy being able to see patients that are already part of our family in a relaxed, casual atmosphere. And we love the extra chance to meet people who are on the lookout for that special eye doctor to care for themselves and their families."*

- Lee and Samantha McPherson, McPherson Family Eye Care

*"Friday night was amazing! The turnout was beyond what I imagined for opening night. I was extremely pleased with the location of the sponsor tables and the signage as well. The take away was that the town really loved this and the remainder of the series should be a huge success. I am very happy with my decision to support this event for my town!!!"*

- Dr. Kelly Harper, Tuscan Ridge Animal Hospital

*"We had a blast!! The band was excellent, Chris and I danced all night while cooking sausages. We gave out about 600 coupons for SausageWorks and Beer Den. Thanks for the great opportunity to be involved in an awesome community event."*

- Vicky Schirf, Lowe's Foods
