FOR IMMEDIATE RELEASE

SCHEDULE CHANGES ANNOUNCED FOR POLICE DEPARTMENT'S FINGERPRINTING SERVICE

WAKE FOREST, NC – November 24, 2009 – In July the Wake Forest Police Department began offering live scan fingerprinting to the general public on Thursdays between 2 p.m. and 4 p.m. Due to the Thanksgiving holiday this week and inventory scheduled for next week, the service will not be provided Nov. 26 and Dec. 3.

Aside from these dates the police department will continue offering the service to the general public according to the normal schedule.

The cost is \$10 for Wake Forest residents and \$15 for non-residents. Cash, check, and credit cards are accepted, but payment must be made at the Wake Forest Town Hall customer service window before the fingerprinting service will be rendered. A valid picture ID is required for identification.

The live scan fingerprinting, also known as electronic fingerprinting, is performed at the Wake Forest Police Department, 225 S. Taylor St., which is located adjacent to the Wake Forest Town Hall, 401 Elm Ave.

For more information, call the police department at (919) 554-6150.
