WAKE FOREST TEEN ADMITS TO FILING FALSE REPORT

WAKE FOREST, NC – February 20, 2009 – A Wake Forest teenager who told police he was stabbed during a confrontation near Heritage Wake Forest has confessed to filing a false report to law enforcement.

The 15-year-old male claimed he was stabbed on January 26 while walking along a wooded trail near Heritage. A subsequent investigation by police revealed no suspects and no leads.

Police say several parts of the story did not add up, and the teen confessed Friday during an interview when confronted with the inconsistencies.

The teenager will be charged with filing a false report to law enforcement by juvenile petitions.

Police are releasing no additional information at this time.
