RESIDENTS' OPINIONS SOUGHT IN ONLINE COMMUNICATIONS SURVEY

WAKE FOREST, NC – October 12, 2010 – The Town of Wake Forest is conducting an online survey to gather input from residents concerning what they want in the way of information. The survey asks residents how they currently receive information and how they would most like to get news from the Town. Additional questions inquire about the quality of information received and for input on future communications.

“Our goal is to provide accurate, timely information in the most effective way possible,” said Public Information Officer Bill Crabtree. “The survey gives our residents the opportunity to tell us not only what they want to know about, but also how they want to know about it.”

A link to the survey is available on the home page of the Town’s website at www.wakeforestnc.gov under “Hot Topics” through Friday, Nov. 19.
