**FOR IMMEDIATE RELEASE**

### **POLICE DEPARTMENT INTRODUCES NEW TDD**

**WAKE FOREST, NC – April 16, 2010** – The Wake Forest Police Department is now equipped to better assist with the needs of the Town's deaf and hearing-impaired citizens thanks to a new TDD/TTY (Telephone Device for the Deaf/Text Telephone) that has been installed at the police department.

A TDD is an electronic device for text communication via a telephone line, used when one or more of the parties has hearing or speech difficulties.

Members of the deaf and hard of hearing community are encouraged to call the Wake Forest Police Department TDD number at (919) 554-6177 to report emergency and non-emergency situations occurring in Wake Forest and the surrounding area.

For more information, contact Capt. Matthew May at (919) 554-6179
