FOR IMMEDIATE RELEASE

NCDOT TO TEMPORARILY CLOSE PORTION OF LIGON MILL ROAD

WAKE FOREST, NC – August 4, 2010 – The N.C. Department of Transportation (NCDOT) will temporarily close a portion of Ligon Mill Road, from US 1A to Burlington Mills Road, beginning Friday, Aug. 6, at approximately 2 p.m. Weather permitting, the road will be re-opened by noon on Monday, Aug. 9.

The closure is necessary to allow the rail owner to install new crossing amenities and slightly raise the rails. NCDOT work crews will begin paving operations in the area Monday morning in order to connect the asphalt to the new rail elevation.

Ligon Mill Road will be open to local traffic, but all other motorists should use the signed detour route by taking Burlington Mills Road and US 1A.
