FOR IMMEDIATE RELEASE

TRAFFIC ALERT – NORTH WHITE STREET

WAKE FOREST, NC – October 4, 2011 – The Town of Wake Forest will close the southbound lane of North White Street, from East Perry Avenue to East Juniper Avenue, on Friday, Oct. 7, from 9 a.m. to 1 p.m. while crews patch asphalt around several manholes.

The northbound lane will remain open and flaggers will be onsite directing traffic through the construction zone. Motorists should use caution, obey flag signals from construction personnel, and consider using an alternate route if possible.

In case of inclement weather, the work will be postponed to Monday, Oct. 10.

The Town of Wake Forest provides this information as a public service. It is based on currently available information. Motorists are reminded that weather and road conditions can change rapidly and should plan accordingly. When traveling through a construction area, drivers, bicyclists and pedestrians are asked to be patient, proceed with caution and obey flaggers at all times. Planned road closures and restrictions are necessary to allow for a variety of work including resurfacing, sidewalk construction, water and sewer main work, and utility cuts. Dates, times and work locations are subject to change due to inclement weather or last-minute changes in work schedules.
