**FOR IMMEDIATE RELEASE**

### **TRAFFIC ALERT – DURHAM ROAD**

**WAKE FOREST, NC – November 21, 2011** – The Town of Wake Forest will close a single lane of Durham Road, from Wingate Street to Tyler Run Drive, on Tuesday and Wednesday, Nov. 22-23, from 9 a.m. to 4 p.m. each day.

The lane closure is necessary to allow tree crews to prune several trees in the area. The project is necessary because the trees are interfering with the power lines and pose a potential safety hazard.

Detour signs and flaggers will direct traffic through the work area. Minor delays are expected and motorists are encouraged to take an alternate route if possible.

The Town of Wake Forest provides this information as a public service. Motorists are reminded that weather and road conditions can change rapidly and should plan accordingly. When traveling through a construction area, drivers, bicyclists and pedestrians are asked to be patient, proceed with caution and obey flaggers at all times. Planned road closures and restrictions are necessary to allow for a variety of work. Dates, times and work locations are subject to change due to inclement weather or last-minute changes in work schedules.
