FOR IMMEDIATE RELEASE

TRAFFIC ALERT – TAYLOR STREET

WAKE FOREST, NC – January 9, 2012 – The Town of Wake Forest will close Taylor Street, in front of the Alston-Massenburg Center, on Tuesday and Wednesday, Jan. 10-11. The closure is necessary to allow the City of Raleigh Public Utilities work crews to install a pressure sustaining valve on the water line.

Detour signs will be in place to direct traffic around the work area.

The Town of Wake Forest provides this information as a public service. Motorists are reminded that weather and road conditions can change rapidly and should plan accordingly. When traveling through a construction area, drivers, bicyclists and pedestrians are asked to be patient, proceed with caution and obey flaggers at all times. Planned road closures and restrictions are necessary to allow for a variety of work. Dates, times and work locations are subject to change due to inclement weather or last-minute changes in work schedules.
