FOR IMMEDIATE RELEASE

ROAD RESURFACING PROJECT RESUMES

WAKE FOREST, NC – February 28, 2012 – Wake Forest’s road rehabilitation and resurfacing project resumes this week after being postponed for several months due to cold temperatures and seasonal conditions.

The initiative includes full depth patching, roadway repairs, and repaving. Over the next several weeks, Barnhill Contracting Company will perform work on the following streets:

- Berwick Court
- Drogheda Place
- Haywicke Place
- Carmel Woods Court
- Willow Wisp Court
- Liberty Street
- Hogan Street
- Palmer Court
- South White Street

Detour signs and flaggers will direct traffic around the work areas. Motorists in these areas are encouraged to use caution, obey flag signals from construction personnel, and take the signed detour or choose an alternate route.

The Town of Wake Forest provides this information as a public service. Motorists are reminded that weather and road conditions can change rapidly and should plan accordingly. When traveling through a construction area, drivers, bicyclists and pedestrians are asked to be patient, proceed with caution and obey flaggers at all times. Planned road closures and restrictions are necessary to allow for a variety of work. Dates, times and work locations are subject to change due to inclement weather or last-minute changes in work schedules.

For more information about this project, visit <http://www.wakeforestnc.gov/residents/roadresurfacing.aspx> or contact Engineering Director Eric Keravuori at (919) 435-9441 or ekeravuori@wakeforestnc.gov.
