FOR IMMEDIATE RELEASE

TRAFFIC ALERT – EAST PINE AVENUE

WAKE FOREST, NC – February 8, 2012 – The Town of Wake Forest will close the 500 block of East Pine Avenue, from North Franklin Street to North Allen Road, on Friday, Feb. 10, from noon to 4 p.m. while crews repair a utility cut.

Detour signs and flaggers will direct traffic around the work area. Motorists are encouraged to take the signed detour or choose an alternate route.

In case of inclement weather, the work will be postponed to Monday.

The Town of Wake Forest provides this information as a public service. Motorists are reminded that weather and road conditions can change rapidly and should plan accordingly. When traveling through a construction area, drivers, bicyclists and pedestrians are asked to be patient, proceed with caution and obey flaggers at all times. Planned road closures and restrictions are necessary to allow for a variety of work. Dates, times and work locations are subject to change due to inclement weather or last-minute changes in work schedules.
