FOR IMMEDIATE RELEASE

FREE CONCERT AT JOYNER PARK AUG. 5

WAKE FOREST, NC – July 24, 2012 – Sensory Expressions, featuring steel drums, will perform a free concert at the E. Carroll Joyner Park amphitheater on Sunday, Aug. 5, from 5 p.m. to 7 p.m.

The concert is offered by PineCone, the Piedmont Council of Traditional Music, and is co-sponsored by the Wake Forest Parks & Recreation Department and the United Arts Council of Raleigh & Wake County.

According to its website, “Sensory Expressions brings an impressive group of professional musicians together for a classic and eclectic smooth sound. Roots reggae music is ageless and like a good wine, it gets better with time. The same can be said of (lead singer) Donovan Carless and his smooth vocal style. The veteran singer of the legendary Soul Syndicate Band has over thirty years of reggae music experience to his credit.”

E. Carroll Joyner Park is located at 701 Harris Road. Area residents are encouraged to bring a picnic and a blanket or lawn chair and enjoy the music. Concert-goers are reminded that alcoholic beverages, smoking, firearms, and unleashed pets are prohibited at Joyner Park.

In the event of rain, the concert will be moved inside the Flaherty Park Community Center, 1226 N. White St. Weather-related updates will be available by calling the Wake Forest Weather Line at (919) 435-9569. Smart phone users who have downloaded the Town of Wake Forest app will receive a push notification message informing them of any schedule change.
