

Girls' Volleyball League Information

Participant Fees

- Wake Forest residents - \$40 per participant. MUST reside within the Town limits.
- Non-residents - \$80 per participant. "Wake Forest mailing address" does not mean that participant resides within the Town limits (mailing addresses are assigned by USPS).
- The fees are set by the Town Board of Commissioners – staff has no authority to waive fees.

Registration Information

- League age is determined by participant's age on January 1 of the current year. There are no exceptions to this requirement- WFPRCR policy requires that players are assigned by age only (no players are allowed to play outside of their age group).
- Registration for all age groups will be held during the month of April, and will be exclusively online - the link will be available April 1-30, at www.wakeforestnc.gov/residents/parksrecreation_youthathletics.aspx.
- LATE REGISTRATION: Late registration will be held May 1-10 (online only). A non-refundable \$15 late fee will be assessed, and players that register during the late registration period will be guaranteed placement onto a team.
- At the conclusion of the registration period, a Waiting List will be started. There is no guarantee of team placement from the waiting list, which will be used to fill openings in team rosters that may occur during the season.
- Refund policy: refunds will be issued if WFPRCR receives written request for refund before the participant's first assigned team practice (late registration fees, if paid, are non-refundable).

Equipment Required

- Athletic shoes

Optional Equipment

- knee pads

Team Placement/Uniforms

- The Town of Wake Forest partners with the Triangle Volleyball Club for league management, including skills evaluation, team placement, and coach training.
- Requests for team placement are not accepted – all players must go through the draft (or team placement process). Siblings, if participating in the same league, will be placed onto the same team unless parents inform Athletics staff at registration of the desire to place siblings onto different teams.
- If a player doesn't attend the skills evaluation session, the player is placed onto a team by a blind draw. ***Every player who registers will be placed on a team.***
- ***All players will be drafted each season.***
- Team assignments are firm – team changes are not allowed once placed onto a team for the current season.

- After the league's coach meeting (or draft), players will be contacted by team coach regarding initial team practice.
- WFPRCR purchases and provides uniforms for all leagues –players will receive jersey, which they will keep at the conclusion of the season. Participants are to provide shorts.

Coaching Volunteers

All teams are coached by volunteers. Parents may volunteer to coach a team by indicating their interest with the participant's registration and/or by emailing Athletics staff (coach@wakeforestnc.gov). Once registration has concluded, coaches will be recruited/selected from the volunteer pool. Coaches must attend coach training session (s) and complete a background check authorization form – background screening will be required for head coach and assistant coach.

Team Sponsors

WFPRCR seeks sponsors for youth athletic leagues/teams. For more information, contact Meghan Hawkins, Recreation Specialist, at 919 435 9457 (mhawkins@wakeforestnc.gov).

Practice & Game Information

Teams will be scheduled for practices 2 times per week (Monday-Saturday) prior to games beginning – the particular days of the week will not be set until the registration period ends, as the total number of registrants/division determines the number of teams in each age group. Games will be scheduled throughout the week (Monday-Saturday). The earliest time for game or practice on weeknights will be 6pm.

Specific dates and times will be determined once registration is complete. Note that practice and game sites listed are subject to change.
