Terms & Conditions for Reserving a Litter Kit

Valued Volunteer,

We appreciate your drive to reduce litter. You are awesome! We do request that you agree to our terms and conditions of returning our equipment and cleaning up your area safely. By checking the "acceptance box" on the Reserve a Litter Kit form, you are agreeing to the terms and conditions of volunteering with and reserving a litter kit from the Town of Wake Forest. The details of the terms and conditions are found below.

If you borrow any of the following we ask that you return it within two weeks of your cleanup, so that we may sanitize, then share with other volunteers.

- Litter Picker(s)
- Bucket(s)
- Safety Vest(s)

It is required for interested individuals to watch the NCDOT Litter Pickup Safety Video and review the Safety Guidelines.

All volunteers understand the Town of Wake Forest and involved members and staff are free of all liability of and incidents that may occur during litter pickups or during any volunteer opportunities and events. Parents and guardians accept responsibility and liability for any participating minors. Volunteers must understand that no minor under the age of 12 can participate in roadside litter pickups, per the NCDOT, for safety reasons.

Volunteers agree to fill out the collection data to the best of their ability and return it to the Town of Wake Forest when litter pick up equipment is returned or email the information to publicworksdept@wakeforestnc.gov. Additionally, the volunteer agrees to report to the Public Works Department the location and quantity of the bags no more than 12 hours following the end of the pickup.

Thank you for your cooperation and understanding.
