TOWN of WAKE FOREST

New yellow signs and mailing envelopes are intended to make public hearing notices more visible.

## Town introduces changes to increase awareness of PUBLIC HEARINGS

The Town of Wake Forest is introducing important changes aimed at increasing citizen awareness of scheduled public hearings.

The first involves a redesign of the Town's public hearings notice signage which are posted on properties being considered for public hearing. The signs are now bright yellow, so they are easily recognizable.

Moving forward, each public hearing will be assigned a unique ID# which will be clearly visible on the new signage. Anyone with questions about a scheduled public hearing should note the ID# then choose one of the following options to obtain information about the hearing:

■ Visit [wakeforestnc.gov/PH](http://wakeforestnc.gov/PH) and scroll through the listed public hearings to locate the ID# and corresponding information.

■ Call the Planning Department at 919-435-9510. The staff person who answers the call will put the caller in contact with the case manager who can provide additional information.

The second change involves the letters the Town sends to nearby property owners. The first-class letters will be mailed in bright yellow envelopes featuring the Town logo and PUBLIC HEARING NOTICE printed on the outside. Similar to the new signage, the new envelopes are intended to stand out and reduce the likelihood of being discarded by mistake.

# CENSUS 2020

## Wake Forest Counts

### Frequently asked questions about the 2020 Census

Once a decade, America comes together to count every resident in the United States. Data from the census provide the basis for distributing more than \$675 billion in federal funds annually to communities across the country to support vital programs. They also are used to redraw the boundaries of congressional and state legislative districts and accurately determine the number of congressional seats each state has in the U.S. House of Representatives.

#### Why is it important to me?

Responding to the census is not only your civic duty, it also affects the amount of funding your community receives, how your community plans for the future, and your representation in government.

#### When will I complete the census?

Beginning in mid-March, people will receive a notice in the mail to complete the 2020 Census. Once you receive it, you can respond online. In May, the U.S. Census Bureau will begin following up in person with households that haven't responded to the census.

**How can I respond?** In 2020, for the first time ever, the U.S. Census Bureau will accept responses online, but you can still respond by phone or mail if you prefer. Responding should take less time than it takes to finish your morning coffee.

**What information will be requested?** The census will collect basic information about the people living in your household. You should count everyone who is living in your household on April 1, 2020.

**What information will not be requested?** The Census Bureau will never ask for: Social Security numbers, bank or credit card account numbers, money or donations, anything on behalf of a political party.

**Will my information be kept confidential?** Strict federal law protects your census responses. No law enforcement agency (not the DHS, ICE, FBI, or CIA) can access or use your personal information at any time.

Learn more about the 2020 Census by visiting [2020census.gov](https://2020census.gov).

A hoop jam and other free activities are offered during the Mardi Gras Street Festival.

## Let the good times roll at the eighth annual MARDI GRAS

Join us for a fun-filled day in downtown Wake Forest on Saturday, Feb. 22, during the Wake Forest Mardi Gras Street Festival. This family-friendly celebration is scheduled from 11 a.m. to 3 p.m. Admission is free.

The annual event features music,

entertainment, face painting, and a costume processional for children and adults to showcase their Mardi Gras themed attire. A variety of contests and activities will be offered throughout the day.

### Communications Survey Results

The Town of Wake Forest conducted an online survey in November to gather input from residents concerning what they want in the way of information—and how they want it. The survey asked questions about the quality of information received, the effectiveness of various communications tools and input on future communications.

# Public invited to State of the Town Address

The 2020 State of the Town Address & Dinner is scheduled for Monday, Feb. 17, at 6 p.m. at the Wake Forest Renaissance Centre for the Arts, 405 S. Brooks St.

Hosted by the Wake Forest Rotary Club, the occasion offers Wake Forest citizens the opportunity to reflect on the Town's accomplishments during the previous year and learn about its goals in the coming months.

In addition to Mayor Vivian Jones' State of the Town address, the evening will include a catered meal and dinner music by a local high school ensemble.

Tickets are \$15 per person (including dinner) and can be purchased online at [wakeforestnc.gov](http://wakeforestnc.gov) (search for "state of the

town") or at the Renaissance Centre Box Office.

Anyone not interested in eating dinner is welcome to attend the State of the Town address without purchasing a ticket. Non-ticket buyers should arrive between 6:30 and 6:45 p.m. at the conclusion of the dinner portion of the program.

Mayor Jones' address is expected to begin between 6:45 and 7 p.m.

### Watch the State of the Town Address

The State of the Town Address will be recorded and replayed on Wake Forest TV 10 throughout March. It will also be available in streaming video on the Town's website, [wakeforestnc.gov](http://wakeforestnc.gov).

### POLICE DEPARTMENT

## Police thank public for its generosity

The Wake Forest Police Department wishes to thank the community for donations to the 2019 Turkey Drive and Shop With A Cop. As a result of the community's generosity, on Nov. 25, the Police Department gave away over 950 turkeys to disadvantaged families in our area—by far the most it has ever distributed.

In addition, Shop With A Cop provided over 30 underprivileged children with a holiday shopping spree at Walmart.

Police distributed 950 turkeys to residents during the annual Turkey Giveaway.

COMMUNICATIONS

## Explore the Town's video library

The Communications Department offers an online library of videos on a variety of useful topics. The videos are typically broadcast on WFTV 10, but they are also available for on-demand viewing.

Covering topics such as "Bulk Waste Pickup" and "Discover Wake Forest," the videos are short segments that provide plenty of useful information. Categories of videos include: Special Events, Online Meetings, Wake Forest 411 and more.

Visit the video library by going to [wakeforestnc.gov/wftv-10](http://wakeforestnc.gov/wftv-10) and clicking on the WFTV 10 Videos tab.

## New online form makes it easy to report issues with trash carts

Wake Forest sanitation customers can now use an online form to request a variety of assistance related to their rollout trash and recycling carts.

Available at [wakeforestnc.gov](http://wakeforestnc.gov) (search "trash and recycling carts"), the form offers a simple, yet effective way for Town sanitation customers to request trash and recycling service, upgrade to a larger recycling cart, order extra carts and report damaged or missing carts.

As a bonus, anyone who completes and submits the online form will be automatically enrolled in Waste Wizard—an interactive tool that allows users to receive waste collection reminders and schedules.

PLANNING

## Courtney Tanner is new Wake Forest Planning Director

The Town of Wake Forest is pleased to welcome Courtney Tanner as its new Planning Director. She succeeds Chip Russell, who retired in December after 32 years of service to the Town.

As Planning Director, Tanner will direct and review the activities of the Planning Department, including current and long range planning initiatives and code enforcement programs. She will also play a leading role in the formation, installation, modification and improvement of the Town's Comprehensive Plan and development regulations.

Tanner has over 15 years' experience in the field of public sector planning, with a concentration on comprehensive plan development and implementation. Prior to joining Wake Forest, she worked for the Town of Morrisville—the last three as planning director.

**TRANSPORTATION**

## Wake Forest Loop now offers expanded service

Wake Forest's free local bus service (Wake Forest Loop) has added a second bus to the local circular route. The second bus will run in the opposite direction (counterclockwise) on the existing route. By selecting the bus that travels in their preferred direction, riders can now get to their destination more efficiently.

The Wake Forest Loop is the result of a partnership between the Town of Wake Forest and GoRaleigh. Bus schedules can be viewed at [GoRaleigh.org](http://GoRaleigh.org).

## Town earns another favorable audit report

During its monthly meeting in November, the Board of Commissioners received the results of an independent audit report from Cherry Bekaert LLP for the period July 1, 2018, through June 30, 2019. In addition to not revealing any audit findings or problems, the report acknowledged that the Town is in compliance with all of its financial policies and operating with strong internal controls in place.

Chief Financial Officer (CFO) Aileen Staples said the last two years' of favorable audit reports have been especially encouraging considering all the Town accomplished without raising taxes.

"This year was particularly challenging due to the debt service requirements for the bonds issued in June 2018," she said. "Plus, we were prepared to use fund balance; however, due to our continued conservative fiscal approach, we outperformed and exceeded budgeted expectations."

These efforts align with the fourth goal of the Town's Strategic Plan—"enhance fiscal strength."

## Bi-monthly loose leaf collection continues through March

The Town of Wake Forest's annual loose leaf collection program is underway and will continue through March 13.

When preparing leaves for collections, residents are urged to rake leaves into piles behind the curb, so they do not interfere with traffic or drainage. Also, do not mix sticks, rocks or pine cones with loose leaves. Keep brush away from other objects such as, fences, walls, water meters, utility poles, mailboxes, fire hydrants and cars.

Wake Forest residents can track the progress of leaf collection crews by calling the Leaf Collection Hotline at 919-435-9582. The hotline is updated each weekday morning by 8 a.m. with information concerning where crews will be working that day.

## Are winter bills giving you the chills?

Warm up to these easy, money-saving tips provided by NC Public Power:

- Set your thermostat to 68 degrees or lower. Every degree above 68 increases your energy use by 3-5 percent.
- Install a programmable thermostat and set it to turn down your heat at night.
- Traditional fireplaces lose more heat than they produce, so only use them on mild days.
- Avoid using space heaters for long periods of time. Use of one small heater in your home could add more than \$100 to your monthly electric bill.

# Updates on major TOWN PROJECTS

The Town of Wake Forest has recently completed—or is in the process of completing—the following major initiatives. Three of the projects were funded by the 2014 bond.

■ **Joyner Park Community Center (JPCC)** opened in October. Its multiple programming rooms, gym and elevated walking track are enjoying record numbers of users compared to other Town facilities. The Parks, Recreation & Cultural Resources Department also relocated its offices to the JPCC.

■ **Holding Park Aquatic Center** was open for its first full season and visited by over 24,000

people—far exceeding attendance numbers at the former Holding Park Pool.

■ Staff at the newly renovated **Northern Wake Senior Center** are moving in and will be offering new and expanded programs to our senior population.

■ **Stadium Drive Complete Street** project is scheduled to be completed in early 2020.

■ **Downtown Streetscape Improvements** including street and landscape enhancements to South White Street and East Owen Avenue were completed in December.
