The Alston-Massenburg Center was named in 1987 in memory of George Massenburg, a former Town of Wake Forest employee, and Edward Alston, a life-time resident of the town.

Renovation: In 2012, the Town of Wake Forest fully renovated the Alston-Massenburg Center adding 1,350 square feet to the facility. The \$650,000 renovation was funded through the town's Capital Improvements Plan and a \$165,000 Community Development Block Grant (CDBG) awarded to Wake County from the U.S. Department of Housing and Urban Development. Improvements included a new roof, energy efficient windows and doors, as well as a revamped layout that now includes meeting space, a larger kitchen, bathrooms and a performance area.
